Reviews

"To say the caricatures went down amazingly yesterday would be an understatement. Everybody was talking about them and so many people told us that they were the best favours they'd ever seen at a wedding! Even the venue said that they'd never seen that idea and they loved it!"

- Mitchell Jones

"Michael is hands down one of the most creative designers you will ever come across. Our guests loved their personalised caricature place cards which acted as our favours too! It was certainly the talk of the wedding breakfast! We now have our seating plan hung up on our living room wall and we couldn't be happier with the final outcome! Thank you!"

- Sarah & James

"Michael is amazing! So talented! Our guests absolutely loved the seating plan, there was a ripple of excitement around the room as more and more people noticed and asked others "have you seen yours!?" Michael was fantastic at keeping in touch with us and answering my every "bridezilla" question! Brilliant service from start to finish we would 100% recommend!"
